WORK EXPERIENCE

Video Editor & Motion Graphic Designer
August 2019 – Present
RCTI+

- Edited promotional video content for digital platforms including Instagram, TikTok, YouTube, Facebook, and X (Twitter), optimized for each platform's audience and format.
- Produced on-air and off-air promotional materials including fillers, program promos, and commercial content.
- Created motion graphics for Station ID (SF), Commercial Running Text (RTK), and TV Commercials (TVC).
- Tailored video format, pacing, and visuals to suit platform requirements and maximize audience engagement.
- Collaborated with creative and production teams to deliver broadcast-ready promotional materials on deadline.
- Managed multiple projects simultaneously in a fast-paced media production environment.

Video Editor & Motion Graphic Designer
March 2018 – August 2019
Matrix TV

- Edited entertainment program content for 'Dingdangdut' with engaging visual flow and dynamic pacing.
- Handled end-to-end video editing and motion graphics production for the Matrix Home Shopping segment.
- Created visually compelling broadcast content focused on product presentation and viewer engagement.
- Ensured all promotional materials met broadcast production standards and maintained consistent brand identity.

Videografer & Creative Designer
September 2017 – February 2018
Magni Photography

- Captured behind-the-scenes (BTS) footage during photo shoots using a visual storytelling approach.
- Edited YouTube content for family, newborn, maternity, and children photography sessions.
- Served as photographer for maternity, family, and children-themed photo shoots.

- Designed photo albums with visually appealing layouts and structured storytelling.
- Created digital promotional content and social media assets to strengthen brand presence on Instagram, Facebook, and YouTube.
